Every exhibitor shall be held responsible for the correctness of their entry and the correctness of documentation brought to the Show. If when queried, correctness cannot be proven, the entry in question shall not be accepted. If already accepted the entry may be cancelled or the exhibit may be disqualified and any award made to it cancelled.

If any wilful misstatement or incorrectness shall at any time be proved to have been made in any certificate, either in connection with the Shows of this Society or any other Agricultural Society, the offenders shall (at the discretion of the Council) be disqualified from exhibiting at the Shows of this Society. If such certificate relates to an animal which has been or shall be awarded a prize at this Society's Show, the prize shall be withheld.
Entry will not be granted to any animals that have not provided the correct information prior to the Show or to any animals that arrived without correct documentation.

3 OWNERSHIP

4. AGE OF ANIMAL ON ENTRY.
The date of birth of cattle and goats (in the case of horses, ponies and sheep, the year of birth) must be correctly stated on the entry form. Should any question arise as to the age of any exhibit the Stewards may, at the request of the Judge, have the state of dentition of the exhibit examined by a competent authority. If in the opinion of such authority the state of dentition shall indicate that the stated age of any animal does not agree with the dentition test, the Stewards shall have power to disqualify such animal. Any animal having failed to pass the dentition test at any other Show shall forthwith be disqualified.

The Judges may withhold any prize where there is evident want of merit. Where there is only one entry shown in a class, the judges may award the first, second, third or fourth prize according to the merit of that entry.

Once a class has started, late competitors will be allowed into the ring only if the Judge is prepared to accept them.

Exhibitors are particularly requested to note the name of the Judge appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by or that has been owned by the Judge appointed.

In the event of a judge knowingly encountering an animal in which he/she has had a past or present financial or breeder interest, the Kent County Agricultural Society will arrange for the placement of that animal by another judge.

The decision of the Judge is final.
