The Mobex Service

Hire

When you hire from Mobex you get the complete service.

All is made ready to your exact requirements including any graphics and accessories you have ordered.

We arrange the delivery with the event organisers and your other contractors.

We mow any grass (if required) and correctly position on the plot with chain link fencing if required.

Set up all furniture and accessories, flags and graphics.

Secure ready for you to just "turn up and present".

Pack up and collect at end of the event. We store your graphics FOC until your next event.

See inside back cover for standard hire equipment and extras

Manufacture

We have built ice-cream trailers, mobile hearing booth trailers, exhibition trailers, mobile kitchens, pop up retail trailers and even one as a mobile pinhole camera.

Mobex will design and manufacture a bespoke or special trailer to suit your exact requirements.

Since the 2012 regulations came into force we have been building to the European Certification Standard enforced by DVSA.

Management

If you own your own trailer and do not want the hassle and legal ramifications of storing, towing, delivering, setting up and breakdown, let Mobex do it for you.

Just tell us the event you are going to and it will be there waiting all clean tidy and ready to work.

Exhibition, Hospitality and Display Trailer Hire

Small Exhibition Trailers

Mobex small exhibition trailers range in size from 3.6mtrs to 5mtrs in length (excluding towbar). The HU selection are all fitted with kitchens, suspended ceilings, lights, carpeted flooring, Velcro compatible walling and internal soft seating with storage facilities in the majority, whereas the T (Trim) selection are more economical in their fittings are predominantly an open space where you can choose your internal fittings from our comprehensive range of accessories available.

Exhibition, Hospitality and Display Trailer Hire

Medium Exhibition Trailers

Mobex medium exhibition trailers range in size from 5.5mtrs to 7mtrs in length (excluding towbar). The HU selection are all fitted with kitchens, suspended ceilings, lights, carpeted flooring, Velcro compatible walling and internal soft seating with storage facilities in the majority, whereas the T (Trim) selection are more economical in their fittings are predominantly an open space where you can choose your internal fittings from our comprehensive range of accessories available.

You also get the added benefit of a rear extension pod on HU605 & HU606 which give increased floor space without adding to the length of the plot you require.

Exhibition, Hospitality and Display Trailer Hire & Bespoke Trailer Build

Large Exhibition Trailers from Mobex

Mobex large hospitality trailers range in size from 8mtrs to 12mtrs in length. All are fitted with kitchens, suspended ceilings, lights, carpeted flooring, Velcro compatible walling and internal soft seating with storage facilities in the majority.

Bespoke Trailer Build

Mobex can work with you to help design and build a trailer suitable for your own needs. Our builds in the past have included mobile retail units, look-out trailers and an ice-cream retail trailer. Trailers built by Mobex can be seen from Cornwall to Scotland and also across the waters in Ireland.

Graphics

All trailers have the facility for graphics on virtually every surface. On the HU units the internal areas are already covered with Velcro compatible material. External graphics are "slide in".

We can produce all types of graphics for you and fit them ready for the show.

Most need to be produced on 3mm Foamex material from camera ready artwork (high resolution pdf). If you need our assistance in design and artwork, we are here to help. If you want a 3D mock-up with your designs to see what the finished trailer will look like, just ask.

A detailed pdf for each trailer is available to download from our website www.mobex.co.uk for sizes and positions.

Printing

Mobex don't stop there, we can also provide printing services for all your literature needs at a very economical cost.
