any certificate, either in connection with the Shows of this Society or any other Agricultural Society, the offenders shall (at the discretion of the Show Manager) be disqualified from exhibiting at the Shows of this Society. If such certificate relates to an animal which has been or shall be awarded a prize at this Society's Show, the prize shall be withheld.

Should any question arise as to the age of any exhibit the Stewards may, at the request of the Judge, have the state of dentition of the exhibit examined by a competent authority. If in the opinion of such authority the state of dentition shall indicate that the stated age of any animal does not agree with the dentition test, the Stewards shall have power to disqualify such animal. Any animal having failed to pass the dentition test at any other Show shall forthwith be disqualified.

JUDGING

10. JUDGING

No person but the Stewards and authorised officials shall enter any of the rings or have any communication with the Judges during the time the judging is taking place. All participants acting in opposition to this rule shall forfeit such premiums as may be awarded to their exhibits.

Once a class has started, late competitors will only be allowed entry into the ring if the Judge is prepared to accept them.

Exhibitors are particularly requested to note the name of the Judge appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by or that has been owned by the Judge appointed.

In the event of a judge knowingly encountering an animal in which he/she has had a past or present financial or breeder interest, the Kent County Agricultural Society will arrange for the placement of that animal by another judge.

The decision of the Judge is final.

ENTRIES

1. CLOSING DATE FOR ALL CATTLE ENTRIES
Friday 18 May 2018
2. ENTRY FEES
All classes will be charged the following entry fees except where listed:
Members: £10.00
Non-members: £20.00

Pairs class - one entry fee per pair of animals.
Group class - one entry fee per group of animals.
3. ENTRY PASSES AND BREAKFAST TICKETS
Cattle exhibitors will be issued two entry passes for the first cow and an additional entry pass for each cow thereafter, up to six passes. Exhibitors will be allocated a fixed number of breakfast tickets which will be issued based upon the number of animals brought forward, not entries made.
4. SUBSTITUTION
Only two substitutions per exhibitor will be allowed on entry to the Showground.

Substitution of animals in the cattle section will be allowed after the closing date provided the animal substituted is in the same class as the original entry. Substitutions should be made in writing to the Show Office to Meghan Rice-Wilson, meghan@kentshowground.co.uk . If the entry is to be substituted on arrival at the Showground, the appropriate form should be downloaded from the website and handed to the officer at bio-security.
5. EXHIBITS FROM ATTESTED HERDS
At the date of entry, cattle must be from herds which are free from movement restrictions imposed under the Tuberculosis (Area Eradication Order, 1950, as amended). An animal accepted for entry cannot be exhibited, if after entry, the herd to which it belongs is subject to such restriction.
6. REGISTRATION IN HERD BOOK
All cattle (except commercial cattle) must be named and the number given if entered in the Herd Book.

Every animal entered for competition shall be entered or accepted for entry in the Herd Book proper of its breed unless otherwise stated. Where an animal is entered by the exhibitor as accepted for entry in the Herd Book proper of its breed, proof of such acceptance shall be furnished to the Society at the time of entry.
7. PROHIBITION OF THE MOVEMENT OF LIVESTOCK
The Schedule is issued conditionally on the Show being held and is subject to the current Rules, Orders and Regulations of the Department for Environment, Food & Rural Affairs, or of any Special Resolution of the Council of the Society.

In event of an order by the Department for Environment, Food & Rural Affairs prohibiting the movement of stock, half entry fees will be returned on request.
8. APPEARANCE MONEY - CATTLE
£35 appearance money will be paid to each animal forward in a class. Each animal will receive £35 no matter how many classes they enter.

HEALTH AND SAFETY

9. SECURITY

All bulls 12 months old and over must by law have a ring attached to the nose and be led by Participants.

10. BRUCellosis ERADICATION

Cattle which calve or show evidence of calving whilst at the Kent County Show must be placed in the approved isolation immediately pending their possible early removal from the Showground.

Where an animal calves prematurely or aborts, the Society's Veterinary Offices must be informed immediately. The animal must be placed in the approved isolation accommodation pending sampling by a DEFRA authorised Veterinary Surgeon. If the animal calves or aborts before it can be isolated, full precautions must be taken to isolate and disinfect any possible contaminated standings, bedding, utensils, clothing and vehicles. The animal cannot take part in the Show and once fit to travel can be returned home. The suspect animal must be isolated during transit.

Dams may suckle their own calves. All other calves must be fed reconstituted dried milk.

11. MILKING

No animals are to be left unattended in the dairy at any time.

The Dairy will be available for the use of exhibitors from 5pm on Thursday 5 July, will remain open for the duration of the Show and will close at 5pm on Sunday 8 July. Milk will be accepted for payment throughout this time.

Exhibitors must ensure that the milking of cows and disposal of the milk is carried out under hygienic conditions at the Show Dairy. The following regulations are therefore designed for the benefit of exhibitors and the public.

- Suitable white clothing must be worn by all attendants.
- Udders and hind quarters must be in a clean condition before milking.
- All milking must be done in the Show Dairy. In order to be of assistance to exhibitors and herdsmen the following arrangements have been made:
- All milk produced during the Show will become property of the Society and will be purchased by the Society at 20p per litre. The sale of milk by exhibitors or their herdsmen other than to the Society is strictly prohibited.
- All pails and utensils can be washed and sterilised at the Show Dairy free of charge.
- Hot water will be provided.
- To prevent contamination of milk by antibiotics, random testing of milk will be carried out by Stewards at the Show.

12. UNACCEPTABLE PRACTICES - BEEF CATTLE

Should any contrivance or device of any description (such as injection) be found or proved to have been used on any animal for any purpose, or if any other practice considered improper is performed on any animal at any time while the animal is on the Showground, the Council or its nominated representative, at its absolute discretion, shall have the power to disqualify the animal to an appropriate level. The Council reserves the right to have all animals inspected by persons nominated by them, either prior to, during, or after judging.

13. UNACCEPTABLE PRACTICES - DAIRY CATTLE

- e. Treating the udder externally with an irritant, counter-irritant, or any other substance to temporarily improve conformation or produce unnatural animation. (Allowable practices / substances include the use of external anti-inflammatory substances for the well-being of

- the animal);
- f. Causing any unlicensed substance to be entered inside the teat orifice;
- g. The setting or sealing of teats with any substance;
- h. Administering epidural anaesthesia (blocking tails) and/or applying any irritant either externally or internally to the perineal (rectum and vagina) area;

Any other practices which in the reasonable opinion of the Society or its nominated representatives, causes unnecessary suffering to an animal, unfairly improves its performance in a Show, or otherwise undermines or interferes with the integrity of the Show, or brings the Show or the Society into disrepute.

14. INSPECTION

Participants shall report promptly to the Cattle Office, upon request, whatever information and documents reasonably required for the proper monitoring of compliance with the Show rules and shall fully co-operate with stewards and inspectors. If requested, participants will provide samples of urine, milk, blood, or any other body fluids suitable for analysis.

Inspectors or their nominated representatives shall have the authority to perform on any animal entered any of the following:

- a. A milkout, collection and testing of any of the animal's body fluids of any individual cow or cows, after the milking classes have completed;
- b. The use at any time of any other technology and other inspections and/or analysis, which the Inspector considers may be useful for assessing compliance with the Showing rules.

Following completion of milking classes, the Organisers and/or Inspectors shall have the option to take milk samples from a representative group of cows, prior to milkout, from a representative number of the milking cow classes. If inspections are to be carried out, an announcement will be made prior to the judging of the milking cow classes.

Participants shall not deliver any medication, preparation or substance to their animals, by any method whilst on site, except that administered by the Show veterinarian. The only exception being that participants can deliver medication which has been disclosed at Bio-Security, upon entry to the Showground, so that the duty vet is aware of the substance and why it is being used.
