## ENTRIES

### 1. CLOSING DATE FOR ENTRIES

LIVESTOCK	Friday 20 May 2016
EQUINE	Friday 20 May 2016
SHOW JUMPING	Monday 27 June 2016

Any classes where the closing date differs from the above will have the closing date listed at the start of the section / class description. The Society reserves the right to close entries early where places are limited.

For an entry to be accepted the following must be completed and received in the Show Office prior to or on the deadlines for the appropriate section. Entries received after the above dates will not be accepted.

- All entry forms (including those for further competitions if required) signed by the exhibitor or his agent
- Any additional certificates required.
- Entry fee in full.

All entries must be made in writing by post, fax, scanned copy by email or online. Telephone entries cannot be accepted. All amendments to entries must be made in writing by post or email.

### 2. ACCURACY OF ENTRY DETAILS

Every exhibitor shall be held responsible for the correctness of their entry and the correctness of documentation brought to the Show. If when queried, correctness cannot be proven, the entry in question shall not be accepted. If already accepted the entry may be cancelled or the exhibit may be disqualified and any award made to it cancelled.

If any wilful misstatement or incorrectness shall at any time be proved to have been made in any certificate, either in connection with the Shows of this Society or any other Agricultural Society, the offenders shall (at the discretion of the Council) be disqualified from exhibiting at the Shows of this Society. If such certificate relates to an animal which has been or shall be awarded a prize at this Society's Show, the prize shall be withheld.

Entry will not be granted to any animals that have not provided the correct information prior to the Show or to any animals that arrived without correct documentation.

### 3 OWNERSHIP

All livestock must be the bona-fide property of the exhibitor at the time of entry. In the event of death of an exhibitor the Executor(s) will be deemed to succeed as such.

#### 4. AGE OF ANIMAL ON ENTRY.

The date of birth of cattle and goats (in the case of horses, ponies and sheep, the year of birth) must be correctly stated on the entry form. Should any question arise as to the age of any exhibit the Stewards may, at the request of the Judge, have the state of dentition of the exhibit examined by a competent authority. If in the opinion of such authority the state of dentition shall indicate that the stated age of any animal does not agree with the dentition test, the Stewards shall have power to disqualify such animal. Any animal having failed to pass the dentition test at any other Show shall forthwith be disqualified.

#### 5. REJECTION

The Council reserves the right to reject or cancel the entry or entries made by any person if they shall deem fit to do so. No reason has to be provided.

#### 6. AMALGAMATION OR CANCELLATION OF CLASSES

Any class may be cancelled or amalgamated unless there are at least three exhibitors.

#### 7. REFUNDS

Refunds will only be considered if an animal is medically unable to compete. If exhibitors are unable to compete, a refund request will have to be completed. A valid vet's certificate must support the refund request. There will be no refunds prior to the Show, all requests will be considered after the Show.

#### 8. CONDITION OF ENTRY

It is a condition of entry that exhibitors must have read and understood the Rules and Regulations for Equine and Livestock and those specific to each section.

All handlers, riders and drivers must be competent and experienced to compete at the level of competition in which entered.

### **JUDGING**

#### 9. JUDGING

No person but the Stewards and authorised officials shall enter any of the rings or have any communication with the Judges during the time the judging is taking place. All Participants acting in opposition to this rule shall forfeit such premiums as may be awarded to their exhibits.

The Judges may withhold any prize where there is evident want of merit. Where there is only one entry shown in a class, the judges may award the first, second, third or fourth prize according to the merit of that entry.

Once a class has started, late competitors will be allowed into the ring only if the Judge is prepared to accept them.

Exhibitors are particularly requested to note the name of the Judge appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by or that has been owned by the Judge appointed.

In the event of a judge knowingly encountering an animal in which he/she has had a past or present financial or breeder interest, the Kent County Agricultural Society will arrange for the placement of that animal by another judge.

The decision of the Judge is final.

All protests must be delivered to the Show Manager before 5pm on the day of judging. After that hour no protest will be received unless a special and satisfactory reason can be given for the delay. The Council will consider any such protests at its meeting at 10.30 am on the following day at which time any person making a protest or their authorised agent must be available to answer questions if required. Protests lodged against awards made on the third day of the Show will be considered at a time and place which will be fixed by the Council. The decision of the Council shall be final.

#### 24. HEALTH AND SAFETY

The Organisers of this Show have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the Organisers and all the Officials and Stewards.

#### 25. THE WELFARE OF ANIMALS (IN TRANSIT) ORDER 2006

Livestock transported to the Show by a haulier must in general be accompanied by a current Transport Certificate.

All exhibitors must ensure that they comply fully with the current legislation issued by the Department for Environment, Food & Rural Affairs regarding the EU Welfare of Animals in Transport Regulation and are able to provide the appropriate documentation at the Show to the relevant governing authority.

For the purposes of this article, mammals shall not be considered fit for transport if they are;

- a) Unfit animals (see DEFRA website Annex 1 Chapter 1 of Council Regulation 1/2005).
- b) Pregnant female animals that have reached the latest stage of gestation (within 10% of the estimated time of the gestation before birth) and for a period of one week after giving birth.
- c) Very young animals except if the journey is less than 100 km, eg calves of less than 10 days of age, pigs less than 3 weeks of age and lambs of less than one week.
- d) Calves of less than 14 days of age on journeys exceeding 8 hours will not be permitted.

#### 26. CONTAGION

Every exhibitor of any animal which to their knowledge is suffering from any contagious or infectious disease, or which has been in contact with any animal suffering as such, shall pay the Society £50 as compensation and for liquidated damages for each and every animal so sent. In addition, in the event of the Society's Veterinary Inspector certifying that any animal sent for exhibition is in his opinion a possible source of danger, such animal shall be removed with due speed by the Participant, from the Showground, or be otherwise managed as per the Veterinarian's direction with a view to averting the spread of contagion.

## 27. VETERINARY TREATMENT

It is a condition of entry that the Society's Veterinary Officers may treat any animal in an emergency and agree the best course of action (including dispatch if necessary) whether or not the owner/exhibitor is present. If emergency veterinary treatment is required at the Show, exhibitors will be responsible for the cost of any medication or drugs used in the treatment of their animals and payment must be made direct to the veterinary officer at the time of treatment.

Any animal that is receiving veterinary treatment at the time of the Show should not be entered unless the owner has had the animal examined by their own Vet and it is safe for them to enter the Show. However, animals still showing evidence of disease will not be permitted to be shown; the ultimate decision will rest with the Kent County Show Veterinary Officers.

## 28. MISUSE OF DRUGS

The Society reserves the right to take blood and urine samples from any animal at the Show to test for the presence of illegal or banned substances.

Any prize winner who fails to parade without authority loses any prize money unless a certificate is produced signed by a Veterinary Surgeon or a substantial reason is forwarded in writing and handed to the Chief Steward responsible for the Parade giving such reasons. ## RULES AND REGULATIONS FOR THE ENTRY AND EXHIBITION OF CATTLE

SHOWGROUND HOLDING NUMBER: 20/059/8000

### ENTRIES

#### 1. CLOSING DATE FOR ALL CATTLE ENTRIES

Friday 20 May 2016

#### 2. ENTRY FEES

All classes will be charged the following entry fees except where listed:

Members: £10.00

Non-members: £20.00

#### 3. SUBSTITUTION

**Only one substitution per exhibitor will be allowed on entry to the Showground.**

Substitution of animals in the cattle section will be allowed after the closing date provided the animal substituted is in the same class as the original entry. Substitutions should be made in writing to the Show Office to Amy Thomson, amy@kentshowground.co.uk. If the entry is to be substituted on arrival at the Showground, the appropriate form should be downloaded from the website and handed to the officer at bio-security.

#### 4. EXHIBITS FROM ATTESTED HERDS

At the date of entry, cattle must be from herds which are free from movement restrictions imposed under the Tuberculosis (Area Eradication Order, 1950, as amended). An animal accepted for entry cannot be exhibited, if after entry, the herd to which it belongs is subject to such restriction.

#### 5. REGISTRATION IN HERD BOOK

All cattle (except commercial cattle) must be named and the number given if entered in the Herd Book.

Every animal entered for competition shall be entered or accepted for entry in the Herd Book proper of its breed unless otherwise stated. Where an animal is entered by the exhibitor as accepted for entry in the Herd Book proper of its breed, proof of such acceptance shall be furnished to the Society at the time of entry.

#### 6. PROHIBITION OF THE MOVEMENT OF LIVESTOCK

The Schedule is issued conditionally on the Show being held and is subject to the current Rules, Orders and Regulations of the Department for Environment, Food & Rural Affairs, or of any Special Resolution of the Council of the Society.

In event of an order by the Department for Environment, Food & Rural Affairs prohibiting the movement of stock, half entry fees will be returned on request.

#### 7. APPEARANCE MONEY - CATTLE

£35 appearance money will be paid to each animal forward in a class. Each animal will receive £35 no matter how many classes they enter.

### HEALTH AND SAFETY

#### 8. SECURITY

All bulls must have a ring or clamp attached to the nose and be led by Participants.

## 9. BRUCELLOSIS ERADICATION

Cattle which calve or show evidence of calving whilst at the Kent County Show must be placed in the approved isolation immediately pending their possible early removal from the Showground.

Where an animal calves full term and the owner arranges for a blood sample and a vaginal swab to be taken privately and submitted to an approved laboratory and the results are negative, the animal may return to the Show lines at the discretion of the Show Manager.

Where an animal calves prematurely or aborts, the Divisional Veterinary Office must be informed immediately. The animal must be placed in the approved isolation accommodation pending sampling by a DEFRA authorised Veterinary Surgeon. If the animal calves or aborts before it can be isolated, full precautions must be taken to isolate and disinfect any possible contaminated standings, bedding, utensils, clothing and vehicles. The animal cannot take part in the Show and once fit to travel can be returned home. The suspect animal must be isolated during transit.

Dams may suckle their own calves. All other calves must be fed reconstituted dried milk.

## 10. MILKING

The Dairy will be available for the use of exhibitors from 5pm on Thursday 7 July and will remain open for the duration of the Show. Milk will be accepted for payment throughout this time.

Exhibitors must ensure that the milking of cows and disposal of the milk is carried out under hygienic conditions at the Show Dairy. The following regulations are therefore designed for the benefit of exhibitors and the public.

- Suitable white clothing must be worn by all attendants.
- Udders and hind quarters must be in a clean condition before milking.
- All milking must be done in the Show Dairy. In order to be of assistance to exhibitors and herdsmen the following arrangements have been made
- All milk produced during the Show will become property of the Society and will be purchased by the Society at 20p per litre. The sale of milk by exhibitors or their herdsmen other than to the Society is strictly prohibited.
- All pails and utensils can be washed and sterilised at the Show Dairy free of charge.
- Hot water will be provided.
- To prevent contamination of milk by antibiotics, random testing of milk will be carried out by Stewards at the Show.

## 11. UNACCEPTABLE PRACTICES - BEEF CATTLE

Should any contrivance or device of any description (such as injection) be found or proved to have been used on any animal for any purpose, or if any other practice considered improper is performed on any animal at any time while the animal is on the Showground, the Council or its nominated representative, at its absolute discretion, shall have the power to disqualify the animal to an appropriate level. The Council reserves the right to have all animals inspected by persons nominated by them, either prior to, during, or after judging.

## 12. UNACCEPTABLE PRACTICES - DAIRY CATTLE

The following practices and/or procedures are prohibited when showing registered dairy cattle:

- e. Treating the udder externally with an irritant, counter-irritant, or any other substance to temporarily improve conformation or produce unnatural animation. (Allowable practices / substances include the use of external anti-inflammatory substances for the well-being of the animal);
- f. Causing any unlicensed substance to be entered inside the teat orifice;
- g. The setting or sealing of teats with any substance;

- h. Administering epidural anaesthesia (blocking tails) and/or applying any irritant either externally or internally to the perineal (rectum and vagina) area;
- i. Wrapping hocks or draining fluid from hocks unless authorised by a veterinarian at the Show;
- j. Attaching an appliance to an animal other than for milking;

### 13. INSPECTION

Participants shall report promptly to the Cattle Office, upon request, whatever information and documents reasonably required for the proper monitoring of compliance with the Show rules and shall fully co-operate with stewards and inspectors. If requested, participants will provide samples of urine, milk, blood, or any other body fluids suitable for analysis.

Inspectors or their nominated representatives shall have the authority to perform on any animal entered any of the following:

- a. A milkout, collection and testing of any of the animal's body fluids of any individual cow or cows, after the milking classes have completed;
- b. The use at any time of any other technology and other inspections and/or analysis, which the Inspector considers may be useful for assessing compliance with the Showing rules.

Following completion of milking classes, the Organisers and/or Inspectors shall have the option to take milk samples from a representative group of cows, prior to milkout, from a representative number of the milking cow classes. If inspections are to be carried out, an announcement will be made prior to the judging of the milking cow classes.

Participants shall not deliver any medication, preparation or substance to their animals, by any method whilst on site, except that administered by the Show veterinarian. The only exception being that participants can deliver medication which has been disclosed at Bio-Security, upon entry to the Showground, so that the duty vet is aware of the substance and why it is being used.

### 15. CATTLE HEALTH SCHEME

There will be no separate accommodation provided for cattle health scheme animals at the Show. Exhibitors wishing to exhibit health scheme cattle must undergo the appropriate tests to regain their scheme status on their return home.
