ENTRIES

1. CLOSING DATE FOR ENTRIES

LIVESTOCK	Friday 20 May 2016
EQUINE	Friday 20 May 2016
SHOW JUMPING	Monday 27 June 2016

Any classes where the closing date differs from the above will have the closing date listed at the start of the section / class description. The Society reserves the right to close entries early where places are limited.

For an entry to be accepted the following must be completed and received in the Show Office prior to or on the deadlines for the appropriate section. Entries received after the above dates will not be accepted.

- All entry forms (including those for further competitions if required) signed by the exhibitor or his agent
- Any additional certificates required.
- Entry fee in full.

All entries must be made in writing by post, fax, scanned copy by email or online. Telephone entries cannot be accepted. All amendments to entries must be made in writing by post or email.

2. ACCURACY OF ENTRY DETAILS

Every exhibitor shall be held responsible for the correctness of their entry and the correctness of documentation brought to the Show. If when queried, correctness cannot be proven, the entry in question shall not be accepted. If already accepted the entry may be cancelled or the exhibit may be disqualified and any award made to it cancelled.

If any wilful misstatement or incorrectness shall at any time be proved to have been made in any certificate, either in connection with the Shows of this Society or any other Agricultural Society, the offenders shall (at the discretion of the Council) be disqualified from exhibiting at the Shows of this Society. If such certificate relates to an animal which has been or shall be awarded a prize at this Society's Show, the prize shall be withheld.

Entry will not be granted to any animals that have not provided the correct information prior to the Show or to any animals that arrived without correct documentation.

3 OWNERSHIP

All livestock must be the bona-fide property of the exhibitor at the time of entry. In the event of death of an exhibitor the Executor(s) will be deemed to succeed as such.

4. AGE OF ANIMAL ON ENTRY.

The date of birth of cattle and goats (in the case of horses, ponies and sheep, the year of birth) must be correctly stated on the entry form. Should any question arise as to the age of any exhibit the Stewards may, at the request of the Judge, have the state of dentition of the exhibit examined by a competent authority. If in the opinion of such authority the state of dentition shall indicate that the stated age of any animal does not agree with the dentition test, the Stewards shall have power to disqualify such animal. Any animal having failed to pass the dentition test at any other Show shall forthwith be disqualified.

5. REJECTION

The Council reserves the right to reject or cancel the entry or entries made by any person if they shall deem fit to do so. No reason has to be provided.

6. AMALGAMATION OR CANCELLATION OF CLASSES

Any class may be cancelled or amalgamated unless there are at least three exhibitors.

7. REFUNDS

Refunds will only be considered if an animal is medically unable to compete. If exhibitors are unable to compete, a refund request will have to be completed. A valid vet's certificate must support the refund request. There will be no refunds prior to the Show, all requests will be considered after the Show.

8. CONDITION OF ENTRY

It is a condition of entry that exhibitors must have read and understood the Rules and Regulations for Equine and Livestock and those specific to each section.

All handlers, riders and drivers must be competent and experienced to compete at the level of competition in which entered.

JUDGING

9. JUDGING

No person but the Stewards and authorised officials shall enter any of the rings or have any communication with the Judges during the time the judging is taking place. All Participants acting in opposition to this rule shall forfeit such premiums as may be awarded to their exhibits.

The Judges may withhold any prize where there is evident want of merit. Where there is only one entry shown in a class, the judges may award the first, second, third or fourth prize according to the merit of that entry.

Once a class has started, late competitors will be allowed into the ring only if the Judge is prepared to accept them.

Exhibitors are particularly requested to note the name of the Judge appointed for the classes they wish to enter and are advised, in the interests of all concerned, not knowingly to enter an animal bred by or that has been owned by the Judge appointed.

In the event of a judge knowingly encountering an animal in which he/she has had a past or present financial or breeder interest, the Kent County Agricultural Society will arrange for the placement of that animal by another judge.

The decision of the Judge is final.

25. THE WELFARE OF ANIMALS (IN TRANSIT) ORDER 2006

Livestock transported to the Show by a haulier must in general be accompanied by a current Transport Certificate.

All exhibitors must ensure that they comply fully with the current legislation issued by the Department for Environment, Food & Rural Affairs regarding the EU Welfare of Animals in Transport Regulation and are able to provide the appropriate documentation at the Show to the relevant governing authority.

For the purposes of this article, mammals shall not be considered fit for transport if they are;

- a) Unfit animals (see DEFRA website Annex 1 Chapter 1 of Council Regulation 1/2005).
- b) Pregnant female animals that have reached the latest stage of gestation (within 10% of the estimated time of the gestation before birth) and for a period of one week after giving birth.

In addition, in the event of the Society's Veterinary Inspector certifying that any animal sent for exhibition is in his opinion a possible source of danger, such animal shall be removed with due speed by the Participant, from the Showground, or be otherwise managed as per the Veterinarian's direction with a view to averting the spread of contagion.

Any animal that is receiving veterinary treatment at the time of the Show should not be entered unless the owner has had the animal examined by their own Vet and it is safe for them to enter the Show. However, animals still showing evidence of disease will not be permitted to be shown; the ultimate decision will rest with the Kent County Show Veterinary Officers.

SHEEP AND WOOL

RULES AND REGULATIONS FOR THE ENTRY AND EXHIBITION OF SHEEP

SHOWGROUND HOLDING NUMBER: 20/059/8000

ENTRIES

1. CLOSING DATE FOR ALL SHEEP ENTRIES

Friday 20 May 2016

2. ENTRY FEES

All classes will be charged the following entry fees except where listed:

Members: £10.00

Non-members: £20.00

Pairs class - one entry fee per pair of animals.

Group class - one entry fee per group of animals.

3. APPEARANCE MONEY - SHEEP

£7 appearance money will be paid to each animal forward in a class. Each animal will receive £7 no matter how many classes they enter.

4. FLOCK BOOK

Every animal entered for competition must be entered or certified as eligible to be entered in the Flock Book of its breed.

5. TWO SHEAR AND SHEARLING DEFINITION

'Two-Shear' and 'Shearling' determine sheep born in 2014 and 2015 respectively, except where individual breed societies dictate otherwise.

For example:

Dorset Horn & Poll Year start 1st September

Zwartbles, Charollais & Hampshire Down Year start 1st December

6. PREMIUM SHEEP HEALTH SCHEMES - ENTRY INFORMATION

The Society will accept entries from exhibitors with non-accredited sheep and Maedi Visna accredited sheep as detailed under each breed.

Each exhibitor with MV accredited sheep must send a blank photocopy of the SAC Health Status Report (showing the expiry date) valid at the date of the Show, with the completed entry forms before the closing date. A completed and signed SAC Health Status Report for the date of the event must accompany the sheep to the Show.

The flock scheme status must be shown on the entry form. Entries for MV accredited and non-accredited sheep must be completed on separate entry forms. If no current SAC Health Status Report is provided at the Show, no unloading in the Maedi Visna accredited area will be allowed.

HEALTH AND SAFETY

7. SCRAPIE

Ewes which have lambed in the previous 30 days, in lamb ewes and ewes that are subject to procedures which change the seasonal breeding pattern may not be exhibited at the Show. All exhibitors of sheep will be required to sign a declaration to this effect at entry stage.

All sheep exhibitors will be required to complete and sign the 'Declaration Regarding Scrapie' on the livestock entry form (without which entries will not be accepted) or tick the box for online entries as declaration.

8. PREMIUM SHEEP HEALTH SCHEMES - HOUSING

The areas of the Showground, where MV accredited sheep will be housed, judged and any routes of movement, into, out of or within the Showground will be cleared of non-accredited stock more than seven days prior to the date stock enters the Showground for the Show. MV accredited sheep will not be permitted to use any ground or routes that have been used by non-accredited sheep during this minimum time limit.

Separate accommodation will be provided for MV accredited sheep and non-accredited sheep. In the sheep area, there will be separate clearly marked walkways for MV accredited and non-accredited sheep and judging rings will be divided into MV accredited and non-accredited areas. There will also be separate loading/unloading points for MV accredited and non-accredited sheep.

9. PREMIUM SHEEP HEALTH SCHEMES - JUDGING

If MV accredited and non-accredited sheep are to be judged in the same ring the following conditions will apply.

- All sheep must be halter or collar led.
- The judging ring will be divided by two lines of barriers with a 2m gap between to prevent contact between different categories at all times.
- Non-accredited sheep will enter and exit the judging ring at a different point to MV accredited sheep.
- Any examination such as mouthing should be performed by the leader and not the judge. If it is performed by the judge, the judge must wash his/her hands before moving to the next animal.

It is essential that sheep exhibitors follow all written and verbal instructions.

10. PREMIUM SHEEP HEALTH SCHEMES - EXHIBITORS RESPONSIBILITIES

Sheep exhibitors are responsible for the following:

- The prevention of any contact with sheep (or goats) of a different category at all times. If no contact has been made, sheep may return home without any isolation.
- If contact has been made, then sheep will lose their MV status and must be placed in isolation on return and undergo appropriate blood tests to regain their scheme status. Please contact SAC for advice (01387 267260).
- Whilst the Society will take all necessary precautions to protect the status of MV accredited sheep, it will not hold itself responsible for any accidental contacts made which may affect the status of an exhibitor's flock.

11. SHEEP MOVEMENT DOCUMENTS

Exhibitors transporting their own sheep to and from the Show must comply with the requirements of current legislation.

12. SHORT DOCKING OF SHEEP

Short docking of sheep is forbidden. The Mutilation (Permitted Procedures) (England) Regulations 2007 Schedule 5.5 requires that sheep must have sufficient tail retained to cover the vulva of the female sheep and the anus of male sheep. Imported Sheep entering a class at the Kent County Show must comply with this rule.

Any sheep which does not comply with the aforementioned regulations will not be eligible to be judged in its class. The decision will be made at the discretion of the Society's Chief Veterinary Officer or his representative.

13. COLOURING OF SHEEP

The colouring of sheep will only be accepted in line with the breed standard. Any sheep found to have been artificially coloured or otherwise faked with a view to deceiving the Judges shall be disqualified.

14. SHEEP SCAB

It is advisable to treat sheep coming to the Show with an approved Scab control product carried out to the manufacturer's specification.

GENERAL

15. LIVESTOCK ACCOMMODATION

Shedding and hurdle pens will be provided for sheep. There will be no additional charge for this.

Please ensure you read the general rules and regulations that are listed at the start of the schedule.
