## RULES AND REGULATIONS FOR THE ENTRY AND EXHIBITION OF SHEEP

SHOWGROUND HOLDING NUMBER: 20/059/8000

### ENTRIES

1. CLOSING DATE FOR ALL SHEEP ENTRIES

Friday 18 May 2018

2. ENTRY FEES

All classes will be charged the following entry fees except where listed:

Members: £10.00

Non-members: £20.00

Pairs class - one entry fee per pair of animals.

Group class - one entry fee per group of animals.

3. ENTRY PASSES

Sheep exhibitors will be issued two entry passes for one to four sheep, three entry passes for five to six sheep and four entry passes for seven sheep and over. Exhibitors will be allocated a fixed number of breakfast tickets which will be issued based upon the number of animals brought forward, not entries made.

4. APPEARANCE MONEY - SHEEP

£7 appearance money will be paid to each animal forward in a class. Each animal will receive £7 no matter how many classes they enter.

5. FLOCK BOOK

Every animal entered for competition must be entered or certified as eligible to be entered in the Flock Book of its breed.

6. TWO SHEAR AND SHEARLING DEFINITION

'Two-Shear' and 'Shearling' determine sheep born in 2016 and 2017 respectively, except where individual breed societies dictate otherwise.

For example:

Dorset Horn & Poll Year start 1<sup>st</sup> September

Zwartbles, Charollais & Hampshire Down Year start 1<sup>st</sup> December

7. PREMIUM SHEEP HEALTH SCHEMES - ENTRY INFORMATION

The Society will accept entries from exhibitors with non-accredited sheep and Maedi Visna accredited sheep as detailed under each breed.

Each exhibitor with MV accredited sheep must send a blank photocopy of the SAC Health Status Report (showing the expiry date) valid at the date of the Show, with the completed entry forms before the closing date. A completed and signed SAC Health Status Report for the date of the event must accompany the sheep to the Show.

The flock scheme status must be shown on the entry form. Entries for MV accredited and non-accredited sheep must be completed on separate entry forms. If no current SAC Health Status Report is provided at the Show, no unloading in the Maedi Visna accredited area will be allowed.

### HEALTH AND SAFETY

8. SCRAPIE

Ewes which have lambed in the previous 30 days, in lamb ewes and ewes that are subject to

procedures which change the seasonal breeding pattern may not be exhibited at the Show. All exhibitors of sheep will be required to sign a declaration to this effect at entry stage.

All sheep exhibitors will be required to complete and sign the 'Declaration Regarding Scrapie' on the livestock entry form (without which entries will not be accepted) or tick the box for online entries as declaration.

#### 9. PREMIUM SHEEP HEALTH SCHEMES - HOUSING

The areas of the Showground, where MV accredited sheep will be housed, judged and any routes of movement, into, out of or within the Showground will be cleared of non-accredited stock more than seven days prior to the date stock enters the Showground for the Show. MV accredited sheep will not be permitted to use any ground or routes that have been used by non-accredited sheep during this minimum time limit.

Separate accommodation will be provided for MV accredited sheep and non-accredited sheep. In the sheep area, there will be separate clearly marked walkways for MV accredited and non-accredited sheep and judging rings will be divided into MV accredited and non-accredited areas. There will also be separate loading/unloading points for MV accredited and non-accredited sheep.

#### 10. PREMIUM SHEEP HEALTH SCHEMES - JUDGING

If MV accredited and non-accredited sheep are to be judged in the same ring the following conditions will apply.

- All sheep must be halter or collar led.
- The judging ring will be divided by two lines of barriers with a 2m gap between to prevent contact between different categories at all times.
- Non-accredited sheep will enter and exit the judging ring at a different point to MV accredited sheep.
- Any examination such as mouthing should be performed by the handler and not the judge. If it is performed by the judge, the judge must wash his/her hands before moving to the next animal.

It is essential that sheep exhibitors follow all written and verbal instructions.

#### 11. PREMIUM SHEEP HEALTH SCHEMES - EXHIBITORS RESPONSIBILITIES

Sheep exhibitors are responsible for the following:

- The prevention of any contact with sheep (or goats) of a different category at all times. If no contact has been made, sheep may return home without any isolation.
- If contact has been made, then sheep will lose their MV status and must be placed in isolation on return and undergo appropriate blood tests to regain their scheme status. Please contact SAC for advice.
- Whilst the Society will take all necessary precautions to protect the status of MV accredited sheep, it will not hold itself responsible for any accidental contacts made which may affect the status of an exhibitor's flock.

#### 12. SHEEP MOVEMENT DOCUMENTS

Exhibitors transporting their own sheep to and from the Show must comply with the requirements of current legislation.

#### 13. SHORT DOCKING OF SHEEP

Short docking of sheep is forbidden. The Mutilation (Permitted Procedures) (England) Regulations 2007 Schedule states that sheep must have sufficient tail retained to cover the vulva of the female sheep and the anus of male sheep. Imported Sheep entering a class at the Kent County Show must comply with this rule.

Any sheep which does not comply with the aforementioned regulations will not be eligible to be judged in its class. The decision will be made at the discretion of the Society's Chief

Veterinary Officer or his representative. No refunds will be given if a sheep is refused entry into the judging ring on these grounds.

14. COLOURING OF SHEEP

The colouring of sheep will only be accepted in line with the breed standard. Any sheep found to have been artificially coloured or otherwise faked with a view to deceiving the Judges shall be disqualified.

15. SHEEP SCAB

It is advisable to treat sheep coming to the Show with an approved Scab control product carried out to the manufacturer's specification.

16. BLUETONGUE DISEASE

The Kent County Agricultural Society encourages all livestock exhibitors to vaccinate their animals against Bluetongue.

## GENERAL

17. LIVESTOCK ACCOMMODATION

Shedding and hurdle pens will be provided for sheep. There will be no additional charge for this.

18. ALCOHOL CONSUMPTION

Alcohol is prohibited within the Sheep Lines during the hours of 8.00am and 6.00pm on each Show day.

**Please ensure you read the general rules and regulations that are listed at the start of the schedule.**
